

Bennington Triumph Bash Bridges Ride

(Out-and-back of about 20 miles)

From Bennington take Rt 9 west. The Bennington Museum is on the left up the hill, if you want to sightsee.

Right onto Monument Ave; pull into the parking lot on the far side of the circle to do more sightseeing. Make a right out of the parking lot to the intersection with Fairview Street. Right onto Silk Road and follow to the bridge.

Left onto Rt 67A for about half a mile, then left onto Murphy Rd (you can see the bridge). Follow Murphy Rd to the end and go left onto Henry bridge. Proceed through the bridge and bear right onto River Rd, then left onto Rt 67A.

Follow 67A to NY state (about 5 miles) to the Bennington Battlefield on the right.
