

Bennington Triumph Bash Putney Ride

(Loop of about 120 miles)

From Bennington take Rt 9 east over the mountains toward Wilmington. There are lots of picture-perfect places along the way, so bring your camera. Continue on Rt 9 east toward Brattleboro.

In Brattleboro, make a left (north) onto Rt 5 to Putney. Stop for lunch at Curtis BBQ, or stop into the Putney Diner for the best blueberry pancakes in Vermont!

When you're done eating, turn around and go back south on Rt 5 for three or four miles and make a right onto the East-West Road, heading toward Dummerston (this road is twisty, so watch for tight corners).

When you get to Rt 30, make a right (north) and head toward Newfane, where you'll find a beautiful historic town green.

Continue north on Rt 30 until you reach Manchester Center (Rt 30 will merge with Rt 100 for a portion of this). In Manchester Center, make a left (south) onto Rt 7A and follow this back to Bennington.
