

Bennington Triumph Bash Southwest Ride

(Loop of about 165 miles)

From Bennington take Route 9 East to Wilmington, then turn north (left) onto Route 100 North. Follow 100 to Weston and stop for breakfast at the famous Vermont Country Store, a New England landmark.

From Weston, continue north on 100 to Route 155 North and follow this to East Wallingford. Look out for moose and deer!

In East Wallingford, take Route 140 West to Poultney. Be sure to follow the road signs, as the road changes directions several times at intersections. There is an ice cream stand on the right in Tinmouth, if you feel so inclined!

In Poultney, turn onto Route 30 South to North Pawlet, then pick up Route 153 South into New York State.

When you get to Route 22, turn south (left) and follow 22 to Cambridge, NY, then turn right onto Route 313 East to Arlington, VT. Follow 313 until you get to Route 7A; make a right and follow 7A south through South Shaftsbury and back to Bennington.

This loop is approximately 164 miles; a good place to stop for gas would be Poultney.
